Recommendation

I have worked for the last 50 years as an actor and director for local theatre companies. These have included the Morland Theatre Company, Stag Theatre Company, Strathmore Theatre Company, Mordialloc Musical Theatre, Essendon Theatre Company, Waverley Theatre Company and the Southern Cross Musical.

In England (1972-1977) I worked in the theatre and as a blue coat professional entertainer, where I received my English union equity card. I have also performed in concerts for the Lord Mayor of London for a charity concert in the 1970s and have worked professionally in old-time musicals.
